

PurityPLUS

Cosmetic Braces

These new innovative cosmetic fixed braces are the latest alternative to traditional, unsightly metal braces.

They are clear and discreet, smooth and rounded, providing better levels of oral comfort.

The unique design and clinical performance provides efficient tooth movement and positioning...

.....to give you that

Confident Smile

you've always wanted

The clear, comfortable alternative to metal braces!

Your look.....

.....your choice!

To discuss orthodontic private treatment options, please ask for a consultation.
